The following will be the digital communication tools the school uses to interact with parents, careers and the community. Each platform serves a different purpose.

Skoolbytes – Sharing important information between school and caregivers. May include newsletters, notices and student notes.

I give permission I do not give permission

Facebook – Sharing school and classroom activities and celebrating student success (through pictures and videos) with caregivers and the wider community.

I give permission I do not give permission

Seesaw – Digital learning portfolio for students to save their work, track progress and share with teachers and their caregivers. Information on the Seesaw Parents app will be provided in the coming weeks.

I give permission I do not give permission

Buronga Online Classroom Website – Provides teachers a platform for sharing lessons and links with students during regular classes and periods of remote learning.

I give permission I do not give permission

Buronga Public School Department of Education Website – provides general information about the school, newsletters, information updates from the DoE and school.

I give permission I do not give permission

Official School Publications – Annual School Report, Flyers, Promotional Materials (school brochure etc), school magazine and other various official documents.

I give permission I do not give permission

PERMISSION TO PUBLISH 2023

Dear Parents and Caregivers,

Buronga Public School uses a number of digital platforms to communicate with parents and keep you updated with your child's progress and school learning journey.

We are seeking your permission to publish information about your child on these platforms for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

Parents should be aware that when information is published on public websites and social media channels, it can be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information. Published information can also be linked to by third parties.

All school staff will follow official Department of Education Policy in relation to using digital platforms, social media, confidentiality and privacy.

If you have any questions, concerns or wish to seek clarification about permission to publish, please call us at school and we can discuss these with you.

Yours sincerely,

Jodie Treverrow
Principal
