Dear Parents

8/2/2017

I have only received three assembly survey forms back from the end of last year, which is too few to make a decision about what suits our community best. Please return the survey by the end of next week if you want a say. I will base the decision on the information I have received by Friday 16 February.

At this stage we scheduled our first assembly on Monday 19 February just to get things started.
