

Dear Parents & Families,

As you know, this year, Grades 3/4/5 will be going on school camp and Grade 6 will be going on the annual Canberra trip. In light of the fact that the school has decided to subsidize swimming lessons, this has left funds available for other things. The P&C has decided to offer a subsidy for school camps in the amount of \$100 per child. If you wish to take advantage of this subsidy, please fill out the form below.

Thank you!
