Dear Parents

At Buronga Public School we offer two major camp experiences for students in years three to six. These camps offer students valuable and lasting learning experiences, where not only is academic learning enhanced, but so too is social and interpersonal skills. Students are encouraged to further develop independence, self-belief and resilience while on camp and of course have an incredible amount of fun.

Unfortunately, these camps are expensive and can only be minimally subsidised by the school due to increased opportunities being offered and related costs. In an attempt to make financing your child's camp experience more manageable we are offering a payment plan.

The Year 6 Canberra Camp usually costs approximately \$700 and the 3/4/5 camp will usually cost approximately \$500. We do try to keep costs to a minimum, but the cost of our transport does have an impact.

All camp costs need to be paid for before students attend camp.

If you wish to take up the offer of a payment plan, please call the school office and we can make arrangements. I have included one version of a payment plan for each excursion that you may wish to consider.
