Dear Parents

Buronga Public School Swimming Carnival is on **Friday 16 February at Dareton Swimming Pool.** (Our time frames are dependent on the following PSSA swimming carnival calendar)

Students are invited to wear their house colours. Kindergarten enrolments and new students will be advised on Monday of their Sporting House.

All students need to come to school that morning for organisational and duty of care reasons. Students will have their name marked on rolls with their class teacher and then be transported by bus to the Dareton Pool with an expected departure time of 9.15. Students can be collected from the pool at the conclusion of the carnival. You will need to let your child's class teacher know if you choose this option. Be sure to have your child's name marked off the role prior to leaving the pool.

Students in Mrs Olofsson class and Mrs Cock's class will arrive at the pool slightly later for a swim and activities in the smaller pool followed by lunch.

The actual carnival will start between 9.45 and 10.00am and be finished in time to transport students back to school in time to catch connecting buses and for regular home time routines.

Our P&C will provide lunch at the carnival for students to purchase. Alternatively students may bring a packed lunch and snacks. The P&C lunch includes a chicken or ham wrap, drink and icy pole for \$6.

Students will need to bring

- Water bottle (can be refilled at the carnival)
- Hat and shirt to wear between pool time.
- Sunscreen if you do not use the school provided brand.
- Goggles if your child uses goggles
- Towel
- Self managed health care equipment/medication

At Buronga we aim for maximum participation at the carnival where all students have the opportunity to enjoy the water and the spirit of the day. We will not be having a practice day prior to the carnival this year. Our term four swimming program will have students well prepared for a day in the water.

In order for our carnival to run smoothly, as a small school, we will need parents and helpers to assist on the day with time keeping. If you are able to offer any time throughout the day, it will be greatly appreciated.

Enjoy the day!

Happy Students – Successful Students
