Week 10 Term 2

Principal's News

Dear Parents

Thank you all for a productive and positive term. It is fantastic to see so many parents involved in school life and making a significant contribution to your child's school education.

The stronger the link between school and home, the more beneficial it is for your child. We are all working towards the same goal: providing the best educational opportunities for your child in a safe and happy environment, so it only makes sense that we work towards this goal together.

Written reports will be sent home on Friday. If you wish to talk to your child's teacher regarding the report, please arrange a time to meet early next term.

I hope you have a wonderful break and enjoy spending time with your family.

School Uniform

Our new school shirts are well and truly under way, thanks to our hard working P&C. The new option looks fantastic and I look forward to seeing students wearing the shirt in term three.

The original school polo is still an option for purchase through the front office. This will remain as part of our uniform for a two year period, where the original shirt is phased out and the new shirt introduced. Please do not feel like you need to purchase new uniforms before the ones you already have are worn out or do not fit anymore.

If you prefer the original option, these are still for sale through the front office at a cost of **\$15.00**.

The new shirt costs are as follows:

Child sizes - **\$20.00**

Adult sizes - **\$24.00**

If you wish to purchase a new shirt return the order form attached to the newsletter, with payment. Shirts should be delivered early term three.

New Uniform Orders

If you would like to order one of the new shirts please return the order form below with payment to the front office. We will send our first order on 22 July 2016.

P&C News

Hello Everyone!

Thank you to everyone who brought in pie orders for the pie drive! It was a great success.

Please remember to bring your cake trays in to the basement at school tomorrow for our Election Day Cake Stall!

Just a quick reminder that I will be away until August 10th. If you have need of anything or have a question, you can speak to any of the other committee members. I will only be available through Facebook.

Enjoy your holidays!

Sarah

Skate Park Launch

The Wentworth Shire Council unveiled the new mobile skate park at Buronga Public School. Mayor, Bill Wheeldon enjoyed watching Buronga students try the new facility. It was great to have visitors in our school to let the community about new facilities available to our children. Great timing for the school holidays.

Thank you to our wonderful P&C who cooked a sausage sizzle lunch for students on the day.

Buronga Public School SRC

The SRC have had a great first term! The bracelet stall raised over \$70 and the Superhero day raised over \$90! Thank you to all the students who participated.

Congratulations to Georgia Shiner, Rhiannon Slade, Sienna Heywood and Ahlia Spence for being the best dressed Superheroes!

Next term, the SRC will be running some more fundraisers. The fundraisers that we will be running are;

- A crazy hair day
- SRC lunches
- Selling Zooper Doopers in term four.

Money we raise will be used to purchase equipment for students at school and we will consider some charities we wish to make a donation to.

In other news the Board Games Club has finished. The SRC will be organising some activities that can be played in the playground next term.

Thank you for all your support,
Casey Slade & SRC Representatives

Class News

K/1 News

This semester has gone so quickly, looking back at how much work has been covered so far.

Well done to all students in K/1 for constantly having a great attitude to learning. Keep it up for the rest of the year.

Robots should already have gone home. The students had great fun making these and we wrote about them, naming them and giving them a special power or skill. Thanks to every-one who brought boxes in.

Reader folders will not be going home over the holidays, Buronga has an excellent library and it is important that you share some quality books with your child that are not seen as "readers".

Have a great break as next term will be busy. Don't forget photo day in week 2.

Thanks, Louise

1/2 News

Wow we have had some very chilly mornings this past few weeks. It is great to see the students coming to school dressed appropriately. 1/2 have had some shared experiences this week that we have been able to write about. This includes writing about making 3D models, Superhero day and our hot chip lunch. We are also very excited for our Rewards Day movie tomorrow afternoon. The movie that has been selected is Zootopia, which is PG. If you do not wish your child to watch Zootopia please contact. Myself or Mrs Olofsson so that alternative arrangements can be made for your child. Thank you to the great response for recycled items. We have designed and made our shelters, which are looking very creative. Readers will not be going home over the holiday break. However this would be a great opportunity to visit and borrow from our local library. Thank you for your continual support in your child's learning. It is invaluable!

Have a relaxing and safe break.

Regards

Bernadette Hogarth

3/4 News

Winter is really upon us! Please ensure your children are wearing jumpers to school these frosty mornings and that jumpers are **NAMED!!!** Again, please ensure your child has plenty to eat, as appetites tend to increase with the cold weather. A **HUGE** congratulations to **ALL** students in 3/4/5/6 who competed in the Mildura Eisteddfod last Monday! They were all a credit to our school and many people commented on how well presented and behaved our students were on the day. Both classes did a fantastic job and a massive congratulations to grade 3/4 on coming second in their division out of six schools! All the practice and hard work paid off! Well done students and Mr Robinson. We will be having a chip lunch on Thursday to celebrate with Mr Robinson as part of our reward day. Reports will be going home this week. If you have anything you wish to discuss from the reports, please call and make a time when we can discuss it with my undivided attention. Have a safe and fantastic holiday and we will see you all next term!!!

Lunchbox Ideas

The never ending job of packing healthy lunches that kids want to eat is familiar to many of us. Here are some great lunch box ideas to inspire you! Each lunch is prepared with foods from the five food groups, which ensures your child is receiving all the nutrients they need to grow big and strong.

School Lunches

In support of our Health and Nutrition Policies we ask that students do not bring sweets/lollies/chocolates to school for recess and lunch. We are also unable to allow students to bring food in cans or food requiring boiling water to be added. This is a school safety issue as you can imagine there have been some nasty incidents in schools involving serious cuts and burns as a result of sharp edges on cans and boiling water.

School Photos

School Photos this year have been booked for Tuesday 26 July. This is the second week back after term break. Unfortunately if your child is away on photo day, there is no opportunity for catch up photos. The companies we work with to provide this service do not offer a catch up session. All students need to wear full WINTER school uniform for photos. Our whole school photo is hung in the foyer and anyone wearing alternative clothes would be very obvious. Please return your photo envelopes to class teachers, ready for the big day.
