Parent Reminders

- All students return to school on Wednesday 6 February 2019.
- Staff return to school on Friday 1 February for Teacher Professional Learning. Our office staff are available from the first for enrolment, school information and uniforms.
- Parent Information Evening is on Monday 11 February at 5.30pm. We will meet in the Multi-Purpose Room for an introductory session with the Principal. Following is an opportunity for parents to visit their child's classroom and discuss class organisation and expectations with class teachers. This is a wonderful opportunity for us to start the year with open communication and the opportunity to set up positive relationships that will be of benefit throughout the year as we work together to provide quality education for your child.
- Our first Parent Group meeting is scheduled for Friday 15 February at approximately 10.00am after assembly. Please see the information attached that will explain this new initiative.
- The P&C AGM is scheduled for Monday 18 February at 3.15pm. We would love as many parents as possible to come along and have input into the Buronga Public School P&C. For our P&C to run according to the Constitution for Incorporated Associations we need an executive committee of five and at least five financial members to vote on all decisions. In the past a subcommittee has also been established for fundraising, including Food Festival. This is your opportunity to have input in the decision making process and have your ideas considered and heard. I look forward to a positive and successful year working with the P&C. If you would like to find out more about the Constitution or other P&C related information you can find it here.

Buronga Public School

Buronga Public School is establishing a Parent/Carer Support Group.

You are invited to meet once a month in the school multi-purpose room where discussions about education, wellbeing, school support for families, parenting and many other topics that may arise from the complex job of raising children.

On some occasions we will organise support from outside the school that may include parenting tips, health advice or interesting reading that may assist us in our endeavours to do the very best we can for children.

Some meetings may be a time for parents/carers to simply catch up and have a coffee. The group will set the agenda based on the feedback provided to us.

There are many benefits of parental engagement at school. Parents make a difference, in fact, you make the greatest contribution to your child's learning at home. Research shows that family led learning is vital. This involves all the ways parents/carers support children through everyday activities and during their time at home.

I look forward to strengthening our partnerships and working together. Please let me know if you are interested in being part of the Parent Group at Buronga by returning the slip below. Joining the group does not mean you are locked into every session. Simply let us know if you can come and we will organise the rest.

Session One Friday 15 February 10.00am

Coffee & Cake.

This will be a chance for us to meet and greet and for me to gain a better understanding of what you would like to get out of the group. We can begin to set the agenda based on what you say. I will provide some "Food for Thought" that may be useful in relation to values education.

I would like to be part of the Parent /Carer Group at Buronga Public School.

I plan to attend the first session on Friday 15 February at 10.00am in the school Multi-Purpose room.
