Buronga Public School creates an enabling environment where students are empowered to embrace learning, achieve their personal best and build their emotional, social and physical wellbeing.

### Year Six Graduation Dinner

Students, staff, parents, family and friends enjoyed celebrations to acknowledge our fabulous year six students who are embarking on the next part of their educational journey. Their contribution to Buronga has been valuable and the whole school has enjoyed a year of positive role models and outstanding leadership.

Our year six students will be missed at Buronga and will be a great asset to a very lucky high school.

Enjoy the next part of your learning journey and make the most of every opportunity presented to you.

## A Letter from Mrs Hunt

To my Year Six students 2018,

What a great couple of years we have had together. I remember coming to Buronga on a Thursday when you were in Kinder and teaching you while Mrs Olofsson had some respite. We often would finish our lessons with a Just Dance song. You really loved 'Who let the dogs out?' You were doing a unit on celebrations with Mrs Oloffson and you all tried my wedding dress on – even the boys!

I have enjoyed watching you all grow and develop into young adults who are inquisitive, caring and loyal. I know that you all will be successful in your own way, as you all own these qualities.

You are going to have struggles along your learning journey but remember that the struggles you come across along the way, develop the strengths that you will need for tomorrow.

Reach for your dreams and believe that you can because if you do that, you are halfway to making them happen.

I wish you all the best of luck in your next adventure at high school but remember that you are never too old or cool to come back and say hello.

Thank you for being such an amazing bunch of kids. You will be greatly missed but you will not be forgotten.
