Buronga Public School Vision Statement

Buronga Public School creates an enabling environment where students are empowered to embrace learning, achieve their personal best and build their emotional, social and physical wellbeing.

2019

Welcome to a new year of learning at Buronga. I look forward to a productive and rewarding time where we focus on learning.

Our school is using a new integrated teaching and learning program this year where students are engaged in quality lessons with high interest content that links to our New South Wales Syllabus and Australian Curriculum. Integrated units are designed around eight rich concepts where we can be confident that consistent, and engaging curriculum is being offered.

You will receive an overview of the unit of work that your child is engaged in from the class teacher. This will keep you up to date with learning at school and

provide you with some ideas for those “what did you do at school today” discussions.

If you would like to find out more you can visit the website at:

<https://info.getmappen.com>

At Buronga we have six classes operating, enabling us to offer small class sizes and further individualise student learning. It was wonderful to see parents at our Information Night where your child’s class and teacher became a little more familiar. If you were unable to attend and would like a copy of the Parent Information note, please contact the front office and we can send one home. You can also find this information on Skool bag.

Following the parent information night, the P&C Annual General Meeting was held. I would like to congratulate and welcome the 2019 P&C Committee.

President	Susan Lanyon
Vice President	Rose Griffiths
Secretary	Natalie Parkinson
Treasurer	Nicole Garner
Food Festival	Trudy Tyson
	Lauren Harriss

Working together as a unified team for a common goal will create success. Students benefit most when we create positive working relationships.

I look forward to working together to continue improving our school for all students.

Kindergarten 2019

What a wonderful start to 'big' school our Kindergarten students have had. Many of our staff have been commenting on how quickly the students have settled into school life at Buronga Public School.

It's great to see that our Kindergarten students are starting to form special friendships with their Year 6 buddies who support them during eating and playing times.

All our Kindergarten students will soon complete their Best Start Assessment, which provides the school and families with valuable information that will identify students' literacy and numeracy skills at the beginning of Kindergarten.

Well done, Kindergarten on a fantastic start to 2019!

Happy Students – Successful Students

Buronga Public School

Would you like to be part of our Hook in2 Hockey? Come to our Come and Try sessions to see if hockey is for you. They are Saturday 16th February at 9am-10am or Wednesday 20th February at 6pm-7pm.

Sunraysia Hockey Association is running two Hook in2 Hockey Programs - one on Saturdays 9-10am and one on Wednesdays 6-7pm. Both programs run for 8 weeks with week one including a Come and Try session. The program is held at Sunraysia Hockey grounds at the Old Aerodrome Ovals on Eleventh Street, Gate C.

This experience will introduce new players to a game that provides fun, friendship, and teamwork. It is an action-packed and fun-filled one-hour session that will show players how exciting hockey can be.

For more information please contact Sunraysia Hockey through sunraysiahockey@gmail.com or Renee Drelaud on 0448936566.

Choir Leader : Mavis Francis & Pianist : Megan Sullivan - call Mavis on 0437 976524*

Happy Students – Successful Students

Buronga Public School

Buronga Public School is establishing a Parent/Carer Support Group.

You are invited to meet once a month in the school multi-purpose room where discussions about education, wellbeing, school support for families, parenting and many other topics that may arise from the complex job of raising children.

On some occasions we will organise support from outside the school that may include parenting tips, health advice or interesting reading that may assist us in our endeavours to do the very best we can for children.

Some meetings may be a time for parents/carers to simply catch up and have a coffee. The group will set the agenda based on the feedback provided to us.

There are many benefits of parental engagement at school. Parents make a difference, in fact, you make the greatest contribution to your child's learning at home. Research shows that family led learning is vital. This involves all the ways parents/carers support children through everyday activities and during their time at home.

I look forward to strengthening our partnerships and working together. Please let me know if you are interested in being part of the Parent Group at Buronga by returning the slip below. Joining the group does not mean you are locked into every session. Simply let us know if you can come and we will organise the rest.

Session Two Friday 15 March 10.00am

Coffee & Cake.

This will be an opportunity for us to catch up and share our ideas. XXX from Dareton Community Health will be in attendance and talking to us about head lice and the best treatment/prevention. I hope to see you there where we can all learn together.

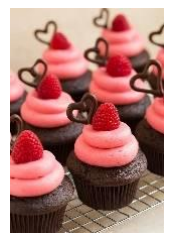

I would like to be part of the Parent /Carer Group at Buronga Public School.

I plan to attend the second session on Friday 15 March at 10.00am in the school Multi-Purpose room.
