

Dear Valued Sponsor,

Thank you to all of you who participated in the Buronga Public School International Food festival in 2023, we cannot thank you enough. Your support helped make it the resounding success that it was!

We are gearing up once again for this year's event. It will be held on Saturday 16th November 2024. Our small P&C committee has been running the festival since the 1970s, utilising the vital fundraising that the event generates for the school, the students, and the wider community. After few years absence, the festival may look a little different, but the focus remains to provide a family friendly evening including various food stalls, kids' activities, market stalls, stage entertainment and demonstrations as well as the major raffle.

The festival proceeds will contribute to the schools planned stage Three playground upgrades, which will include brand new modern playground equipment, as well as new surfacing.

Our Festival could not survive without the generosity of businesses and individuals who kindly provide assistance each year, on that note we therefore ask for your consideration for sponsorship this year's festival. Any form of assistance or sponsorship is most appreciated. The sponsorship categories are attached and can be made in monetary value or a goods donation that could be included in our major raffle. Raffle books will be on sale throughout the community for at least 4-6 weeks prior to the event which would mean your business and generous donation would receive extensive advertising coverage. If you would like to discuss sponsorship options or matters relating to the festival, please do not hesitate to contact the school office on 03 5023 2260 between 9am-4pm weekdays where your query will be directed to the appropriate representative. Alternatively, you can email us direct via the below email address.

To maximise your sponsorship and allow time to broadcast your support please respond as soon as possible. We thank you for your time and hope you will be able to assist our school and we especially hope to see you at the festival.

Yours sincerely,

P&C Committee Buronga Public School
